August 18 th	12:45 pm	1-3 pm	CFC Fields

Tryout Notes

-Players will need to check-in at the noted time above. Players will be required to have their ODP Waiver Form with them and signed by a parent before they can tryout. Players will be given a number and a jersey at check-in and we will use this number identify the player for the weekend.

-Players need to be available for all four sessions. If you need to miss a session for some reason, this needs to be communicated to the staff before the tryout.

-Goalkeepers will have a separate field they are evaluated on while also being substituted in to games being play.

-Tryouts will consist of functional training during the first two hours in the morning. Functional training allows the staff to separate players out by position and evaluate them in a training setting. For the final three sessions, players will be placed on teams and will play in game situations with a schedule already created by the staff.

-We understand we will have a lot of players who want to play the same position and we will do our best to move players around to make sure you get a fair look at your top position. Keep in mind players will be moved around and you will need to play in different positions. Versatility at the higher level like ODP is encouraged and players should be prepared to move around.
